## **Tra-inKRR!**

2015-05-11

Do you want to learn innovative ways to develop your career and improve your qualifications? Apply for participation in the Tra-inKRR! project and take part in workshops and training courses conducted by practical business experts.

The Tra-inKRR! project is available to persons who are students or graduates of undergraduate (bachelor's degree or engineer's degree) studies, master's studies or master's of science studies, full-time, extramural or evening studies at public or non-public Kraków schools of higher education and are less than 35 year of age at the time of commencement of the Project.

In the menu on the left, you will find a list of companies taking part in the project and the requirements.
