Likekonik App

In Kraków the monuments speak for themselves. Literally. Discover the most convenient way to learn the city.

Doing the sightseeing with Likekonik is easier and more enjoyable. It's enough to be around an interesting place to learn its history and secrets. The monument will tell you an anecdote, the church will reveal some of its mysteries and the hidden historical pearl will call you "Here! I'm here!" so that you won't miss it.

It's all due to the innovative system which combines the most interesting spots of Kraków with your mobile. To use Likekonik you don't need to access the web or activate the location, so it saves your money. Bluetooth is all you need.

There is one more thing – with Likekonik you'll like Kraków as much as we do!
