

Car parks

2016-06-27

During the World Youth Days the car parks for pilgrims' buses will be located in many different parts of the city.

A great number of buses will have to be parked on the roads and streets. For these reasons there will be established a lot of traffic restrictions.

On the map presented below you can see the planned location of parkings for buses:

Public Utility and Transportation Infrastructure Office (Zarząd Infrastruktury Komunalnej i Transportu) has prepared a scheme of parking spaces, as follows:
