Krakow appreciated by Belgian tourists

2020-09-21

Belgian tourists chose the best destinations for 2019 foreign trips as part of the "Belgian Tourist Awards - the Choice of Belgian Tourists 2019". In the vote, Krakow took first place in the city category.

Malta turned out to be the best country, the region of Kent was chosen as the dream holiday destination, and Edinburgh - the "hot place" of the year.

This is yet another ranking in which the city of Krakow has been appreciated by guests from other countries.
