2020-08-13

Bottiglieria 1881 has been recognised one of the best European restaurants by the latest Michelin Red Guide. The restaurant has been operating in the Krakow district of Kazimierz since 2013. It serves sophisticated dishes based on local products from the Malopolska Region.

Bottiglieria 1881 is the first restaurant in Krakow to be awarded a Michelin star and the third in Poland - following Warsaw's Atelier Amaro and Senses, which have enjoyed this award for several years.
