Changes to vehicle entry rules into the restricted traffic area

2020-05-12

The Municipal Traffic Engineer Department informs that the rules for entry of vehicles into the restricted traffic zone are changing as of April 27, 2020.

The following will be removed from the signs for signs B-1 "no traffic in both directions": "does not apply to guest vehicles with reservations to get to hotels".

Access to the parking spaces purchased and reserved by hotels will be enabled by entering the following on the signs: "does not apply to vehicles traveling to a property, garage or reserved parking space".

You can read the location and description of individual signs [here](#).

Consent to the purchase of a reserved parking space by entities having their registered office or a separate organizational unit in the area of the paid parking zone in Krakow is issued by the City of Krakow Road Administration in accordance with the [ZDMK-54](#) procedure.
