What is the song in the heart of Pécs?

2021-02-03

Hungary's fifth largest city continues to impress with its beauty and history. Charming streets, the oldest university in the country, the famous Zsolnay porcelain factory, but also numerous clusters of innovations. If you want to get to know Pécs better, you should definitely start by learning Hungarian! And the best way to do it is by singing along!

- **"Pécs Aktuál X" - Punnany Massif**
