2021-02-19

The *Summer/Winter with KKR* project ("Akcja „Lato/zima z KKR”) - financed solely by the Kraków Municipality, enables the holders of a valid Kraków Family Card to undertake sport and cultural activities during their time off from school.

Within the 2020 edition of *Winter with KKR* 1,318 free cinema tickets, as well as ice rink or training vouchers were issued for the 2-week winter break.

Last year's *Summer with KKR* was already subject to pandemic-related restrictions. 3,168 free tickets were issued in July and August 2020/

The latest *Winter with KKR*, which ended on 17 January, was severely limited due to the second wave of the pandemic. A total of 500 free tickets to the Kraków ZOO and *Alice in Wonderland - Garden of Lights* show were distributed among KKR3+ holders.

In addition, in cooperation with the *Podgórze* Cultural Centre, two family city games were prepared.
