## **Family Swimming**

2021-02-19

**The "*Family Swimming*" („Rodzinne pływanie”) project is aimed at families living in the Kraków area.**

As part of the project, interested families can take advantage of free swimming lessons with an experienced instructor. One family may comprise a maximum of five persons, i.e. two parents (or a parent) and max. 3 children (aged between 5 and 16). The project, funded entirely by the Kraków Municipality, aims at integrating families and encouraging them to do sports in their free time. In 2020, 256 (495 children and 454 parents) took part in the project
