One-Stop Point for Entrepreneurs in Kraków

2021-06-30

The Entrepreneur Service Point (POP), i.e. the Krakow "one-stop Point", has been helping and supporting entrepreneurs for nearly 17 years.

The idea behind the establishment of the Point was to enable Krakow entrepreneurs to settle most of the matters related to setting up and running a business in one place, in comfortable conditions, without having to go to other offices and institutions.

Cracow was the first and so far the only district in Poland to implement this revolutionary solution!

At the Entrepreneur Service Point, our **Entrepreneurship Consultant provides information in English, Ukrainian and Russian, directly at the service point and by phone: 12 616 56 07**. The stand is open daily from Monday to Friday from 8:00 to 15:00.

Every Monday, from 10:00-12:00 Tax Advisors from the Małopolska Branch of the National Chamber of Tax Advisors provide free tax information and advices on: the choice of taxation form, exemptions from taxation, VAT obligation, excise duty obligations, obligation to install cash registers.

On Tuesdays from 11:00-12:00, you can take advantage of free law advices from specialists from the District Bar Council.

Entrepreneurs who want to take advantage of free consultations may make an electronic booking of the consultation date by visiting the website of the Entrepreneur Service Center at www.business.krakow.pl/pop or by calling 12 616 56 00.

We also encourage you to use the "Virtual Government Officer" located on the POP website, answering questions in Polish and English 24 hours a day 7 days a week and to follow the POP fun page on Facebook.
