

Giving them money you take away their childhood

2016-04-05

Many children are used by others to earn money. Do you want to help them? Help them not to be beggars. Every coin may be harmful if placed in wrong hands. Support the NGOs working for children in Krakow.

You may find catalogue of NGOs and other organizations acting for inhabitants of Krakow at: www.krakow.pl/ngo in the area of your interest which present the organizations in our city active in many areas of much importance for social life. The catalogue is arranged to enable you to easily find and contact an organization working.

Krakow Forum of Social Organizations

Krakow Forum of Social Organizations KraFOS is a patronage organization with 36 NGO members from Małopolska region. It cooperates also with over 40 other entities, most of them active in the area of social matters (welfare, assisting the disabled persons, veterans, elderly people, children and youth).

Krakow Józef Tischner Hospice for Children

For every child, and in particular to the child experiencing illness and suffering, home provides the most natural and best surroundings. Unfortunately, in Poland majority of the terminally ill children are staying in hospitals which are perceived by them as unfamiliar and often unfriendly places. That is why Krakow Józef Tischner Hospice has undertaken a mission of putting into practice the idea of a home hospice for children.
