Car

2019-05-09

Through Krakow or its surroundings lead two major routes: national road **No. 7** from north to south (Gdańsk-Chyżne), part of European route **E77**, and part of the **E40**, which in Polish runs from Zgorzelec in the west to Korczowa in the east, partly on national road **No. 4**, the **A4** motorway and national road **77**. The road network allows for efficient access from Krakow to other centres in the region. For example, a car trip to Zakopane or Nowy Sącz takes about 2 hours, and to Auschwitz or to Tarnow – about 1.5 hours.

Krakow itself is divided into three traffic zones, with total or partial bans in zones **A** and **B**, while zone **P** is the paid parking zone - [read more](#)
